

## **Job description**

### **About us**

Repps Garage is a modern independent MOT and vehicle repair business near Great Yarmouth. We are professional, agile and our goal is to provide unrivalled customer service with expert vehicle repairs.

With a team of vehicle technicians and front of house staff, Repps Garage has been established over 30 years.

We are looking for a qualified Light Vehicle Technician to join our team. The successful candidate will be responsible for carrying repairs and servicing to vehicles and diagnosing faults. This includes inspecting the brakes, steering, suspension, tyres, exhausts, clutches, timing belts, engine work along with engine management diagnostics. The ideal candidate will have a strong knowledge of automotive systems and a keen eye for detail.

### **Responsibilities:**

- Undertake routine servicing of vehicles.
- Undertake clutch replacements.
- Undertake timing belt replacements.
- Diagnose faults with engine management systems and general faults.
- Undertake general repairs to vehicles including MOT repairs.
- Undertake air-conditioning system servicing and repairs – only if F-Gas certified, training provided if not.
- Undertake any other duties as may be reasonable, and which are compatible with the role.

### **Person specification:**

- NVQ level 3 or equivalent. (E)
- A Full UK driving license with no more than 6 points (you will be subject to licence checks). (E)
- Experience in a professional workshop environment. (E)
- Good attention to detail. (E)
- Ability to work as part of a team and by own initiative. (E)
- Own tools. (E)
- F-Gas trained with certificate. (D)
- Computer skills. (D)
- Ability to deal with shifting priorities. (D)

(E) = Essential (D) = Desirable

Job Type: Full-time

Pay: £26,000.00-£36,000.00 per year

Benefits:

- Company pension
- Employee discount
- Free parking
- On-site parking
- 25 days annual leave plus bank holidays

Schedule:

- Monday to Friday

Work Location: In person

Application deadline: 28/11/2024
